“Overcoming poverty is not gesture of charity; it is an act of justice. It is the protection of a fundamental human right; the right of dignity and a decent life.”

Nelson Mandela

On behalf of our Board of Directors, the Ikageng staff, and the children and families affected by HIV/AIDS whom we serve, we offer you our most heartfelt thanks for your generous support.

The organization would hereby wish to seize this opportunity to thank you that you gave our beneficiaries the opportunity to attend Dance for a Cure on Saturday the 17th of August 2013. It is always an unforgettable moment for our children to be part of a show and it gave them a totally new experience.

We also want to thank you for organizing the transport for the children and furthermore to book the small taxis for R2500 to drop them off at their homes to make sure that they are safe.

We will be forever grateful to you for the important role you have played in the success of this organization.

Thank you for being part of our village.

With my utmost gratitude,
